The Arizona Public School Tax Credit Program enables us all to direct a portion of our state income tax to Berean Academy. Donations made directly to the school qualify for a dollar-for-dollar credit on your state return. Couples filing jointly may claim a tax credit of up to \$400. Individual taxpayers may claim up to \$200. State law requires these gifts be used for extra-curricular activities and other character-enrichment programs. https://azdor.gov/sites/default/files/media/PUBLICATION_2017_707.pdf

1. You do not need to have a child enrolled in Berean Academy to claim the tax credit
2. The tax credit is NOT available to businesses or corporations
3. The credits may only be used to extend or reduce tax liability to zero. Any unused amounts may be carried forward for up to the next five taxable years.
4. Married taxpayers may not contribute separately unless filing separately.
5. In order to receive the tax credit, the payment must be made prior to April 15, 2023 to get the tax credit for 2022.
6. The tax credit for contributions to a public school for support of extracurricular activities or character education programs is claimed by the individual taxpayer.

Tax credit procedure:

- Write a check to the school
- Deliver or mail your check to Berean with your response form completed before April 15, 2023.
- Contributions may be claimed on your 2022 tax return by using Arizona Tax Form 322 when it becomes available.
